

ST. PATRICK'S DAY HUNT

First, let's meet where
you eat!

Everybody knows
that this is where
you put your clothes.

Find your next clue
deep into where you
go to sleep.

Not quite a freeze,
but look where you
put your cheese.

Next, run to where
you greet visitors
off the street.

 Quick!
Check underneath
where you brush
your teeth.

Now, flee to
see one where you
watch tv.

Oh gosh!
Find your treasure
where your body
gets a wash!
