

LAUNDRY

CHEAT SHEET

STEP 1: WASH

1. Sort dirty clothes into whites, darks, and delicates. Wash towels and bedding separately.
2. Empty pockets and pre-treat stains.
3. Place load in the washing machine and add laundry detergent into the labeled spot.
4. Set the water temperature and press start.

WHITES	Normal wash/Hot water
DARKS	Normal wash/Warm water
DELICATES	Gentle wash/Cold water
TOWELS & BEDDING	Normal wash/Hot water

STEP 2: DRY

1. Remove clothes from washing machine and place in dryer.
2. Dry clothes on medium or normal. Delicates will be dried on low or hung to dry.
3. Fold or hang clean clothes and put them away.
