

# *The Great Easter Bunny Mix-Up*

## *A LEFT-RIGHT Story*

The Easter Bunny woke up RIGHT on time. He was ready for his big day! He was so excited he LEFT most of his breakfast uneaten RIGHT on his plate. He grabbed his basket, wiggled his fluffy tail, and hopped RIGHT out of his burrow. But oh no! He forgot his map! He turned LEFT to grab it, but knocked over a pile of Easter eggs LEFT RIGHT outside the door. They rolled RIGHT down the hill and RIGHT into the pond!

The Easter Bunny hurried RIGHT in to scoop them up, but a mischievous squirrel grabbed one and dashed RIGHT up a tree hopping LEFT, RIGHT, LEFT, RIGHT, LEFT onto branch after branch. "Hey! Come back!" the Bunny called, hopping LEFT and then RIGHT, LEFT and then RIGHT around the tree trunk.

With no time to waste, he picked up the remaining eggs and hopped RIGHT toward town. But just as he turned LEFT down the path, he tripped RIGHT over a sleeping turtle and tumbled RIGHT into a pile of jellybeans LEFT RIGHT in the path!

Shaking off the sticky candy LEFT stuck to his fur, he hopped LEFT to deliver his first basket. But wait...this house had a guard dog! The Bunny tiptoed RIGHT, then LEFT, then RIGHT again, trying to sneak past. Just when he thought he was safe, the dog licked his RIGHT ear, and he jumped LEFT in surprise, landing RIGHT in a flowerpot!

Determined to finish his deliveries RIGHT away, the Easter Bunny dusted himself RIGHT off and turned RIGHT onto the next street. But oh no. He had his LEFT shoe on his RIGHT foot and his RIGHT shoe on his LEFT foot! Hopping awkwardly, he fixed his mistake and hurried LEFT, only to be stopped RIGHT away by a group of excited children. "Easter Bunny!" they shouted, running RIGHT toward him. He dashed RIGHT, then LEFT, then RIGHT again, before realizing these kids just wanted a hug!

After a few hugs (and a few more jellybeans rolling LEFT and RIGHT across the sidewalk), the kids LEFT, and the Easter Bunny finally finished his deliveries. He hopped LEFT, and went back home, flopped RIGHT into bed, and sighed. "Next year, I'm hiring an assistant to make sure everything goes RIGHT!"

And with that, he rolled RIGHT over and fell fast asleep.

The End!
