

THE BLESSING MIX POEM

This mix is a gift, both salty and sweet,
A handful of blessings for you to eat.
Bugles for harvest, our horn of plenty,
Chex for life's joys, small but many.
Dried fruit for bounty and loved ones near,
Candy corn for fall's beauty year after year.
M&M's for moments we treasure and share,
Popcorn for laughter that pops everywhere.
Pretzels for hugs that never end,
A Thanksgiving blessing from friend to friend.
